

CHESTERTON ACADEMY
OF ST. PHILIP NERI

A Special Offer for New Monthly Donors!

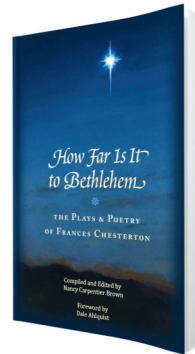

As a benefactor who donates each month to Chesterton Academy of St. Philip Neri—in season and out of season—you can help our students encounter the goodness, the truth, and the beauty of an education that is forming the next generation for the turbulence of our times.

In gratitude for your generosity, any new monthly donor to Chesterton Academy of St. Philip Neri between now and December 31—or any current monthly donor who increases their monthly contribution—will receive a complimentary copy of *How Far Is It to Bethlehem* by G. K. Chesterton's wife, Frances Chesterton.

Would you consider generously supporting Chesterton Academy of St. Philip Neri so that we can continue our growth and service in the Kansas City area?

If you become a monthly donor at \$15 or more, we will send you a complimentary book, *How Far Is It to Bethlehem: The Plays and Poetry of Frances Chesterton*.

One of the most meaningful ways to amplify our work in the classrooms, corridors, and courts of our academy is to become a monthly donor.
